Section 2 - Retirement

Retirement benefits shall be provided under applicable legislation pertaining to the Public Employees' Retirement System (PERS).

The Department currently provides the following retirement benefits:

- Classic employees, as defined by Section 7522.05 of the Government Code, are responsible to pay the entire employee share (9.0%)

Effective July 12, 2020, classic members and new members hired on or after January 1, 2013 shall pay 50% of the total normal cost rate, with a cap of 14% for Classic members, in accordance with Government Code 7522.30. The contributions toward employer rate will be pre-tax under 414(h)2.

The contributions toward employer rate shall not be credited to the employee account at PERS and shall not be reimbursed to the contributor by the Department at any time for any reason. The contributions toward employer rate will be pre-tax under 414(h)2. In the

event the Internal Revenue Service determines these contributions cannot be done pre-tax, the Department will move forward with a PERS contract amendment under Government Code Section 20516(a) as soon as administratively feasible. If the agreement to cost share under Government Code 20516(f) reduces or limits an employee's benefit base or reportable compensation to PERS during the term of this MOU, the Department agrees to reopen on this item upon the Unit's request.

Miscellaneous (Business Manager)

The Department contracted with the Public Employees Retirement System (PERS) to provide employees with a retirement formula that conforms to the Public Employees' Pension Reform Act (PEPRA). This retirement tier applies to a) all local miscellaneous members hired after January 13, 2019, and b) new members. A new member is (a) someone who has never been in PERS or a reciprocal retirement system or (b) someone previously in PERS or a reciprocal retirement system, but who has a gap of at least six (6) months since being covered by any of those pension systems. PERS refers to employees hired before January 1, 2013 as classic members.

The training and expertise for those duties is classified as Educational Incentive Pay.

Duties & Eligibility

The Department is the designated provider of hazardous material (haz-mat) emergency response and preparedness services across all of San Mateo County. San Mateo County requires the Department to designate a “Chief Haz-Mat Officer” who oversees the Department’s haz-mat response operations in resulting from accidents, natural disasters, acts of terrorism, or other catastrophic events. The Chief Haz-Mat Officer responds to and provides incident management at a scene, develops emergency management drills and training, and assists with implementing emergency preparedness and planning policies, among other duties.

The Chief Haz-Mat Officer will have the ability to work within parameters set forth by the Standardized Emergency Management System (SEMS) and the National Incident Management System (NIMS).

As a pre-requisite for an employee to receive Hazardous Materials Chief Officer Educational Incentive Pay, the Fire Chief or their designee must first evaluate and approve the courses, certifications, degrees, and other educational units that form the basis for the incentive pay. The courses, certifications, degrees, and other educational units must be related to the employee’s position or duties as Hazardous Materials Chief Officer.

Examples of educational certifications may include, but are not limited to, the following. The Fire Chief may accept alternative/equivalent certifications.

For those portal-to-portal hours, the Deputy Chief will be paid straight time for regularly scheduled work hours and 1.5 times their hourly rate for hours in addition to their regularly scheduled hours.

Management Incentive Pay (MIP)

In addition to their classification as safety employees, the Fire Chief and Deputy Chief positions are managerial positions that oversee the Department’s administration, operations, and personnel.

For example: if the Departments contribution is \$2,100 per month and the employee selects a plan whose cost is \$2,500 a month the employee contribution will be \$400 per month. If the Departments contribution is \$2,100 per month, but Kaiser premium is \$4,000 per month then the employee maximum contribution would be \$400 per month or 10% of the Kaiser premium.

The Department's contribution toward No Plan (to be deposited into employee's 457 Deferred Compensation Plan account) will be \$160 per month and will remain at that amount during the term of this Agreement. Minimum contribution to be set at \$160 per month or the CalPERS MEC (Minimum Employer Contribution), whichever is greater. (This establishes minimum retiree medical contribution at \$160 per month.) The Department's No Plan contribution shall be made to the employee's deferred compensation account. Employees who opt out of health plan coverage through the Department must annually provide proof of insurance through a spouse, parent or state-registered domestic partner in order to be eligible for the "no plan" contribution amount above. Family members include state-registered domestic partners and their dependents as recognized by the State of California.
